

## AG100069 Boxer

**Owner:** Arthur de Villiers, Arcadia Bonsmaras  
([Website](#))

This bull should not be used on heifers or small cows. He is genetically superior for weight, growth, carcass and efficiency traits and will breed longer animals. He will improve the fertility of bulls and heifers and increase the milk production of his daughters, thereby improving their ability to wean heavy calves.

Boxer

**Exceptional growth for intensive feeding and feedlots.**

**Growth Value of 117.**

**Not suitable for use on heifers.**
